

# Pre-Employment Transition Services

*No Cost Employment Services for Youth (14-21)*

## Success Starts Here!

**Jobworx works together with students, families, schools and community organizations to promote successful transitions from school to work and into adult life.**

Pre-employment Transition Services (Pre-ETS) can help you learn how to effectively communicate your strengths, abilities and interests, practice social skills, explore training and career options, learn job related skills, and acquire a network of community supports. Classes are fun and interactive and delivered virtually.
